PURPOSE OF THE ADMISSIONS POLICY

The purpose of this policy is to ensure there is a clear, transparent and fair process for all enquiries and applicants to NLCS Jeju through each stage of the process. Allowing prospective students to make an informed decision as to whether or not NLCS Jeju is the right school for them and to allow NLCS Jeju to select students who have the potential to thrive at NLCS Jeju.

Definitions:

- Student / child / applicant – the person applying to study at NLCS Jeju
- Parent (an applicant's parent, guardian or representative)

INTRODUCTION

NLCS Jeju is a sister school of NLCS London. It was founded in 2011 and offers a British Education to students from around the world, in Jeju, South Korea.

The majority of students automatically progress from one year to the next. Parents will be invited to relevant transition events.

The Diamond Model: Year Groups, classrooms and curriculum

- Reception to Year 6 (Co-educational classrooms) – linked to NLCS London and international curricula
 - From Reception to Year 4 each has a class teacher and some subject specialist teachers
 - For Years 5 and 6 all lessons are taught by subject specialists
- Year 7 to Year 9 (predominantly single sex teaching groups by subject) – linked NLCS London curricula
- Year 10 to Year 11 (predominantly single sex teaching groups by subject with option choices as well as core subjects) – IGCSE
- Year 12 to Year 13 (Co-educational teaching groups by subject specialists) – IBDP
- All classes (other than language classes) are taught in English
- Students are required to speak in English at all times whilst at school, taking part in extracurricular activities or in the boarding houses
- Academic timetables are set to accommodate current students and new students who have paid deposits and therefore applicants particularly those close to the start of term or joining mid-year may not be able to select their first choice options for languages, GCSEs or IBDP etc.
- Students who hold a Korean passport are required to undertake Korean language and Korean history lessons, even if they are holders of another passport.

Academic Year

- NLCS Jeju's Academic Year is from August to June.
- The Academic Year consists of three terms.

Day and Boarding

Students are able to board from Year 5 onwards in one of seven on campus Boarding Houses. Due to the added academic, educational and social benefits of boarding, the preference of NLCS Jeju is for all eligible students to board.

Available places

- NLCS Jeju has a capacity of 1,751 students.
- The target class size is 22 but may vary.
- Year group sizes may vary.
- For Years 7 to 11 where classes are taught single sex, the availability of Male and Female places will also vary.
- Available places vary on a regular basis and NLCS Jeju reserves the right to adjust as required.
